Basis of purchase

The Order constitutes an offer by the Buyer to purchase the Goods and/or acquire the Services subject to these Contract Terms.

Any of the following are deemed to constitute the Seller’s agreement to comply with these Contract Terms:

any offer and/or acceptance of an Order by the Seller (notwithstanding any conditions attached to such offer or acceptance or any purported incorporation of terms other than these Contract Terms);

the commencement of any work by the Seller; or

the delivery of any Goods or the performance of any Services by or on behalf of the Seller.

These Contract Terms shall apply to each Contract to the exclusion of any other terms and conditions on which any quotation has been given to the Buyer or subject to which the Order is accepted or purported to be accepted by the Seller.

No variation to the Order or these Contract Terms shall be binding unless agreed in writing by a member of the Johnsons of Whixley Ltd Board of Directors.

Specifications and inspections

The quantity, quality and description of the Goods and the Services shall be as specified in the Order and/or in any applicable Specification supplied by the Buyer to the Seller or agreed in writing by the Buyer.

All Goods supplied must comply with Horticultural Trades Association National Plant Specifications in all respects.

The Seller shall allow the Buyer during normal working hours to inspect and test the Goods during production, processing or storage at the premises of the Seller or any third party prior to despatch and to test the Services during performance. Any inspection or testing by the Buyer shall not relieve the Seller of its obligations under the Contract.

If as a result of inspection or testing the Buyer is not satisfied that the Goods and/or Services will comply in all respects with the Contract, and the Buyer so informs the Seller within seven days of inspection or testing, the Seller shall take such steps as are necessary to ensure compliance.

The Goods shall be marked in accordance with the Buyer’s instructions and any applicable regulations or requirements of the carrier, and properly packed and secured so as to reach their destination in an undamaged condition.

Price AND PAYMENT

The Price of the Goods and the Services shall be as stated in the Order and, unless otherwise so stated, shall be:

exclusive of any applicable VAT (which shall be payable by the Buyer subject to receipt of a VAT invoice); and

inclusive of all charges for packaging, packing, shipping, carriage, insurance and delivery of the Goods to the Buyer’s specified delivery address and any duties, imposts or levies other than VAT.

No increase in the Price may be made (whether on account of increased material, labour or transport costs, fluctuation in rates of exchange or otherwise) without the prior written consent of the Buyer.

The Buyer shall be entitled to any discount for prompt payment, bulk purchase, volume or purchase customarily granted by the Seller. In the absence of any other written agreement the Buyer shall be entitled to take a discount of 2% for payment within 14 days of receipt of invoice.

Unless otherwise stated in the Order, the Buyer shall pay the Price of the Goods and the Services by the due date if stated, or within 60 days after the receipt by the Buyer of a proper invoice or, if later, after acceptance of the Goods or Services in question by the Buyer.

Time of payment shall not be of the essence of the Contract.

The Buyer shall be entitled to deduct from the Price:

any amount which is disputed by the Buyer, pending resolution of such dispute; and

any sums owing by the Seller to the Buyer or any other company within the Seller’s group on any contract.

information

5.1 The Seller shall provide to the Buyer on request such information about the Goods, and any components, parts or raw materials used in producing the Goods as the Buyer considers necessary including information relating to any possible risks to health and safety presented by the Goods.

The Buyer reserves the right to amend any delivery instructions. Delivery shall be deemed to be made on receipt of the Goods and/or the Services by the Buyer in accordance with all terms of the Contract. Where the date of delivery of the Goods or of performance of the Services is to be specified after the placing of the Order, the Seller shall give the Buyer reasonable notice of the specified date.

Time of delivery of the Goods and of performance of the Services is of the essence of the Contract.

A delivery note stating the number of the Order, full description and quantity of Goods supplied, plant passport numbers, Intrastat numbers and values, all relevant packaging information (including number of pallets, CCH trolleys (which must be padlocked) shelves and extensions), delivery address and Seller's invoice number must accompany each consignment of the Goods and must be displayed prominently. A copy must be faxed to the Purchasing Department of the Buyer not less than 48 hours prior to delivery or collection stating the intended time of delivery or collection.

The Buyer shall not accept delivery or performance by instalments unless previously agreed in writing. If Goods are to be delivered or Services are to be performed by instalments, the Contract will be treated as a single contract and not severable.

ACCEPTANCE

The Seller shall supply the Buyer in good time with any instructions or other information required to enable the Buyer to accept delivery of the Goods and performance of the Services.

The Buyer shall be entitled to reject all or any part of the Goods delivered or Services performed which are not in accordance with the Contract, including a right to reject defective Goods even if the defect is minor.

The Buyer shall not be deemed to have accepted any Goods and/or Services until the Buyer has had a reasonable time to inspect or test them following delivery or, if later, within a reasonable time after any latent defect has become apparent.

The Buyer shall not be deemed to have accepted the Goods merely by virtue of its having sold the Goods to a third party upon or after delivery or its having incorporated or converted them into other products or works.

The Buyer shall not be deemed to have accepted the Goods or Services by virtue of having required the Seller to repair or replace Goods or Services under these Contract Terms.

The Seller shall remove any packaging material or any Goods rejected by the Buyer within 7 working days, after which the Buyer reserves the right to remove or destroy the Goods, the cost of which will be debited to the Seller.

Plants showing inherent disease symptoms within 200 days of delivery will be rejected and all purchase costs reclaimed.

Risk and Property

Risk of damage to or loss of the Goods shall pass to the Buyer upon delivery to the Buyer in accordance with the Contract. The property in the Goods shall pass to the Buyer upon delivery, unless payment for the Goods is made prior to delivery, when it shall pass to the Buyer once payment has been made and the Goods have been appropriated to the Contract.

compliance

The Seller shall comply with all applicable regulations (including the General Product Safety Regulations 1994) and other legal requirements concerning the manufacture, packaging, labelling, packing and delivery of the Goods and performance of the Services and concerning hazardous substances.

Neither the Seller nor the Buyer shall be liable to the other or be deemed to be in breach of the Contract by reason of any delay in performing, or any failure to perform, any of its obligations in relation to the Goods or the Services, if the delay or failure was beyond that party's reasonable control.

Termination

The Buyer shall be entitled to cancel the Order in respect of all or part only of the Goods and/or the Services by giving notice to the Seller at any time prior to delivery or performance without incurring any liability to the Seller other than to pay for Goods and/or Services already delivered or performed at the time of such notice.

The Buyer shall be entitled to terminate the Contract without liability to the Seller and reserving all rights of the Buyer by giving notice to the Seller at any time if:
