Temporary changes to the retail sales team to cover Rachel's maternity leave

*Rachel Greenall, who is well known to all of our customers, is having a baby and so will be on maternity leave for the next few months. Her place is taken by **Steve Jones** who has a wealth of experience in sales at Johnsons and who is generally regarded as being one of the champions of customer service here. During the spring Steve worked in tandem with Robert Richardson servicing garden centre sales customers in the North of England and so has become familiar with the detail of our systems for garden centre sales and with the business needs of many of our customers.*
